

# Musaed Owied Al Harbi

+966 50 6800 201 | owdm.ai@gmail.com | Jeddah, Saudi Arabia

## EDUCATION

<b>University Of Jeddah</b>	<b>Jeddah, Saudi Arabia</b>
<i>Bachelor of Artificial Intelligence</i>	Expected to graduate: January 2025
<ul style="list-style-type: none"><li>• <b>GPA:</b> 4.5 / 5.0</li><li>• <b>Honors:</b> Certificate of Academic Excellence in the 2020/2021 and 2022/2023 academic years.</li></ul>	

## CERTIFICATIONS

• <b>Intro to Artificial Intelligence</b> , KAUST	<b>Nov 2023</b>
• <b>Introduction to Data Science</b> , Cisco	<b>Mar 2024</b>
• <b>Data Collection and Processing with Python</b> , University of Michigan	<b>Mar 2024</b>
• <b>Calculus for Machine Learning and Data Science</b> , DeepLearning.AI	<b>Feb 2024</b>
• <b>Neural Networks and Deep Learning</b> , DeepLearning.AI	<b>Mar 2024</b>

## PROJECTS

• <b>Brain Tumor Classifier</b>
Developed a toolkit for MRI image enhancement and tumor classification using image processing and CNNs, enhancing tumor detection accuracy in small datasets.
• <b>Breast Cancer Predictive Modeling</b>
Created a predictive model to classify breast tumors, demonstrating proficiency in data analysis and machine learning for healthcare diagnostics.

## SKILLS

**Programming Languages:** Python, Java, C++, SQL.

### Technical Skills:

- Data Collection, Preprocessing, Visualization, Statistical Analysis.
- Linear Regression, Logistic Regression, Artificial Neural Networks, Convolutional Neural Networks (CNN), Deep Learning.
- Git, GitHub, PyTorch, Scikit-Learn, NumPy, Matplotlib, GDAL.

**Soft Skills:** Problem Solving, Easily Adaptable, Research Skills, Cross-team Collaboration.

## LANGUAGES

- **Arabic:** Native.
- **English:** Intermediate.
